

Asheville Family Day

Asheville, NC

Sunday, August 15, 2010

On Sunday August 15, 2010 Asheville had a family day recognition from 1pm to 6pm. The NS Lawmen performed and there was the Locomotive Simulator on-site as entertainment for the group. Operation Lifesaver provided a train ride for kids big and small and the Diversity Council's corn-hole toss was a hit. This was a cookout/picnic atmosphere and fun was had by all.
