SUPPLEMENT 3 TO TARIFF NS 6004-C
RULES AND OTHER GOVERNING PROVISIONS

ITEM 600-B - RULES GOVERNING CARS HELD FOR LOADING:

Release: (see Note below)

- (a) A car is released as of the date and time NS receives advice that the car is available and forwarding instructions are provided.
- (b) When Consignor does its own switching, the time a car is held for loading will commence once empty car(s) are placed on interchange tracks, and will continue until (i) car(s) are returned to an industrial interchange track, and (ii) NS receives forwarding instructions,
- (c) Cars found to be overloaded or improperly loaded while at origin will not be considered released until the load has been adjusted.

Note: Railroad Controlled Cars loaded and turned over to a third party at the same origin will be governed by this rule. Shippers may invoke this rule by tendering an ORIGIN TURNOVER FORM to Norfolk Southern. This form is available at the Norfolk Southern web site WWW.NSCORP.COM or by calling the Norfolk Southern Agency Operations Center at 800-854-2780.

Computation:

- (a) Car Days will be computed from the first 0000 hours (See Car Days, Item 200) after Tender (i) until released with forwarding instructions for Railroad Controlled Cars, or (ii) until placement is made for Private Cars. In the case of Private Cars, the separate calculation for originating storage charges will be computed from the time that the loaded car is pulled and held on railroad controlled tracks by NS without forwarding instructions to time of receipt of required forwarding instructions.
- (b) On cars placed prior to date for which ordered, Car Days will be computed from the first 0000 hours of the day for which the car was ordered until the car is released.
- (c) Empty cars placed without being ordered, will be considered as having been ordered and actually placed on that day.

Credits:

- (a) One (1) Credit Day will be earned for each Railroad controlled car released for which forwarding instructions have been received.
- (b) Five (5) Credit days will be earned for each empty private car under constructive placement.
- (c) Zero (0) credits will be earned for each loaded private car pulled for which forwarding instructions have not been received.
