Dear NS Valued Customer:

Effective October 1, 2020, NS is making rate adjustments and structural changes to the Soy/Canola Meal rate document, NSRQ 49750.

Please make special attention to the updated structure that will now make use of Destination Station Groups, rather than individual points.

We have made available a reference file (NSRQ-49750 – AFC STATION GROUPS) that contains the new groups and associated NS Stations on the Agriculture webpage.

To download the document, logon to ACCESSNS.

Once logged on:

- Click PLAN → PRICE PUBLICATIONS → SEARCH PUBLICATIONS
- Type in the authority number (“49750”)
- Choose AGRICULTURE PROD as the Business Group
- Click Search
- Click ‘+’ beside NSRQ 49750 / Locate Section 14 with Effective Date of 10/1/20
- Click Excel spreadsheet icon to download

Also, if you are not currently subscribed to receive notifications on upcoming changes we encourage you to register via AccessNS. Once the price publication is populated from above, click SUBSCRIBE and enter your email address.

If you have any questions or concerns, please do not hesitate to contact us. We thank you for your continued business relationship.
